

# COST OF BORROWING DISCLOSURE STATEMENT – BUSINESS

## Annual Interest Rates

These interest rates are in effect on the date your credit card account is opened and are all annual interest rates: Promotional rate of **3.99%** on balance transfers will apply for **6** billing cycles for Business Mastercard credit cards from the balance transfers.

If you are late making a payment for a billing cycle, the promotional interest rate applicable to balance transfers will not apply in any subsequent billing cycle; instead, the interest rate on balance transfers that will apply for that type of transaction is identified in the table below.

Card Product	Purchase Interest Rate	Cash Advances or Balance Transfers Interest Rates
Business No Fee/Business Rewards	<b>16.99%</b>	<b>16.99%</b>
Business Low Rate	<b>Up to *Prime + 10%</b>	<b>Up to Prime + 10%</b>

\***Prime** means the prime rate charged by Servus on Canadian dollar loans and it may change from time to time. The current prime rate can be obtained by calling us at 1.877.378.8728 during normal business hours, or online any time at [www.servus.ca](http://www.servus.ca). Current variable interest rates will appear on each account statement.

If your minimum payment is late **3** times within **12** consecutive billing cycles, your stated interest rate will increase to **21.99%** on purchases, cash advances and balance transfers for your Business No Fee and Business Rewards Mastercard credit cards and will increase by **5.00%** for your Business Low Rate Mastercard credit card.

If you make your minimum payment on or before the due date for **3** consecutive billing cycles following the rate increase, you will revert back to your original rate.

## Interest-free Grace Period & Statements

You will have an interest-free grace period on new purchases of at least **21** days if you pay in full by the payment due date. After the payment due date, interest is compounded daily. There is no interest-free grace period on cash advances or balance transfers and interest is compounded daily from the date of any such transaction.

## Statements & Minimum Payment

We will send you a statement for each completed billing cycle on a monthly basis.

The minimum payment will be the greater of **3.00%** of the new balance amount, or **\$10.00 + any amount past due**. If your new balance total is less than **\$10.00**, the minimum payment will be the new balance amount.

## Foreign Currency Conversion

All transactions made in foreign currency will be converted to US dollars (if in a currency other than US dollars) and then to Canadian dollars at a rate equivalent to the Mastercard benchmark rate in effect on the date we process the transaction, **plus a 2.50%** fee on the converted amount.
