## **COST OF BORROWING DISCLOSURE STATEMENT – RETAIL**

Annual Interest Rates	<ul> <li>These interest rates are in effect on the date your credit card account is opened and are all annual interest rates: Promotional rate of <b>3.99%</b> on balance transfers will apply for <b>10</b> billing cycles for all retail Mastercard credit cards from the balance transfers.</li> <li>If you are late making a payment for a billing cycle, the promotional interest rate applicable to balance transfers will not apply in any subsequent billing cycle; instead, the interest rate on balance transfers that will apply for that type of transaction is identified in the table below.</li> </ul>				
	Low Rate	11.99%		11.99%	
	No Fee/Gold/World Elite	19.99%		24.99%	
	If your minimum payment is late <b>2</b> times within <b>12</b> consecutive billing cycles, your interest rate will increase to <b>24.99%</b> on purchases, and <b>29.99%</b> on cash advances and balance transfers for No Fee, Gold, and World Elite Mastercard credit cards and will increase to <b>16.99%</b> for purchases, cash advances, and balance transfers for Low Rate Mastercard credit cards.				
	If you make your minimum payment on or before the due date for <b>12</b> consecutive billing cycles following the rate increase, you will revert back to your original rate.				
	Interest-free Grace Period & Statements	You will have an interest-free grace period on new purchases of at least <b>21</b> days if you pay in full by the payment due date. After the payment due date, interest is compounded daily. There is no interest-free grace period on cash advances or balance transfers and interest is compounded daily from the date of any such transaction.			
Statements	We will send you a statement for each completed billing cycle on a monthly basis.				
& Minimum Payment	Your minimum payment will be the greater of <b>1.00% new balance amount on the monthly statement + Other Fees (see below) + interest charges + any amount past due, or \$15.00</b> . If the new balance amount is less than <b>\$15.00</b> , the minimum payment will be the new balance amount.
